### Travel Information

One of the most culturally and geographically diverse places on earth, South Africa, fondly known by locals as the 'Rainbow Nation', boasts 11 official languages, and its inhabitants are influenced by a fascinating mix of cultures. Discover the gourmet restaurants, impressive art scene, vibrant nightlife, and beautiful beaches of Cape Town. Enjoy a local braai (barbecue) in the Soweto township, browse the bustling Indian markets in Durban, or sample some of the world's finest wines at the myriad wine estates dotting the Cape Winelands. Some historical attractions to explore include the Zululand battlefields of KwaZulu-Natal, the Apartheid Museum in Johannesburg, and Robben Island, just off the coast of Cape Town. Above all else, its untamed wilderness is astonishing: wildlife roams freely across massive unfenced game reserves such as the world-famous Kruger National Park.

---

Situated in the southern reaches of Africa, Botswana is renowned for its pristine wilderness areas characterised by deep lagoons, wetlands, lush palms, rugged hills and desert plains. The country's primary tourist drawcard is undoubtedly the vast red expanse of the Kalahari Desert and its remarkably beautiful Okavango Delta, the largest inland delta in the world. These natural wonders provide a tranquil haven for an abundance of African wildlife to thrive. Other highlights include the impressive Makgadikgadi Salt Pans, where visitors are privy to massive zebra migrations during the flood season; the Savuti plains, which host a significant pride of lions; and the Tsodilo Hills, where 4500 rock paintings form a unique record of human settlement over many millennia.

---

A nation of spectacular natural beauty, friendly people and rich culture, Zimbabwe's status as one of Africa's leading safari destinations was dampened for years by its political instability. But now that the country is transcending its strife and returning to a state of equilibrium, it is once again emerging as a vacation highlight of the continent. Victoria Falls – known to locals as 'The Smoke That Thunders' – is one of the seven natural wonders of the world and the sheer power of this massive body of water plunging into the Zambezi Gorge is awe-inspiring and unforgettable. Lake Kariba, with its game-rich shores and islands, is an idyllic safari spot featuring mind-blowing sunsets; Hwange National Park is known for its huge herds of elephants; and a kayak trip down the Zambezi through the Mana Pools National Park will appeal to the intrepid traveller, providing close encounters with crocodiles, hippos and a host of other wildlife.
